Sakura Apt 3

Unassuming from the outside, the Sakura building is home to a true delight. Sakura 3 enjoys presidential-level views from its many large windows, including iconic Mt Yotei.

The apartment has been very tastefully-refurbished, including a brand-new bathroom and toilet. In addition, the style-conscious owner has purchased a number of items of big-brand furniture which will be included with the unit. The apartment is well-laid out with two bedrooms and a user-friendly living area with western-style kitchen.

Other features include garaging, two storage areas and shared ski/board tuning room.

The building is centrally-located in Lower Hirafu, very close to the Lower Hirafu onsen and to the locale's many boutique restaurants and bars. Snap it up now!
