SDV A102

Unit A102 is the ideal entry-level apartment for those seeking the convenience of a ski-in location without the extortionate pricing of Hirafu's new projects. This two bedroom apartment is a highlight of efficient design and thoughtful layout that is a hallmark of the SDV project.

The 26-unit complex is positioned a short four-minute walk from the Niseko Village ski resort but is magnificently shrouded in a quiet, picturesque forest only a ten-minute drive away from the chaos and overcrowding of Hirafu.

Opening to guests in early 2017, the uniquely positioned apartment project will have on-site concierge services, including a private guest shuttle service to the slopes and Hirafu village in the evening. Contact Niseko Property to register your interest and find out more!
