SDV B201/202

Snow Dog Village is Niseko's newest development and A201/202 is arguably its best unit. Situated prominently on the outer corner of the top floor, the apartment commands excellent views of the ski resort and the surrounding alpine forest. The highly efficient dual-key system, additional loft area and sofa bed means that this unit is capable of sleeping an astounding 10 people. The 26-unit complex is positioned a short four-minute walk from the Niseko Village ski resort but is magnificently shrouded in a quiet, picturesque forest only a ten-minute drive away from the chaos and overcrowding of Hirafu.

Opening to guests in early 2017, the uniquely positioned apartment project will have on-site concierge services, including a private guest shuttle service to the slopes and Hirafu village in the evening. Contact Niseko Property to register your interest and find out more!
