Midway Makkari House

Midway Makkari House, located near the base of Mt Yotei and approximately midway between Niseko and Rusutsu, is perfectly placed to benefit from both ski resorts, golf courses and other recreational facilities. The spacious residence is in immaculate condition throughout and has recently undergone renovation work to bathrooms, toilets, and kitchens. Moreover, all lights, the hot water tank and toyu tank have been updated and new wallpaper done where needed. This is a secluded location surrounded by only a few residential houses and 40 meters from No Track Lodge on the main route 66. A sturdy double garage (heated) with concrete base and electric doors comes with the house and the seller has agreed to include 2 vehicles in the sales price. This will prove to be a great buy, at well below the costs of replacement, for anyone who prefers the quiet country life and ease of access to both Niseko and Rusutsu and beyond to LakeToya, the airport and Sapporo.
