Kutchan White House

Very central and within walking distance to virtually anywhere in Kutchan Town, this house is situated in a highly desirable location. Just one road off from the Route 5, the main road in Kutchan, you'll find it is so convenient that it is easier to walk than to drive to many of the places essential for daily living including supermarkets, restaurants, shops, post office, town hall and much more.

The house itself is a spacious 5 bedroom home, ideal for families or for staff accommodation. Although it is an older building, it has been well taken care of and is in great condition for its age. The spacious 495.26sqm land also allows for plenty of redevelopment options.
