Matthew Suites Studio

The Matthew Suites building was designed by renowned architect Riccardo Tossani and is centrally-located on Momiji street, home to the village's best restaurants and cafes.

Located on the third floor, the Studio Suite was designed to showcase the views of Mt Yotei, Mt Annupuri and the Grand Hirafu Ski slopes. With a gross surface area of 40 sq meters, the living area contains all the necessities of modern alpine living.

It can accommodate up to 3 guests and its peak season rental generates 515 US Dollars per night at the current exchange rate. Matthew Suite apartments boast a booking.com rating of 9.3 out of 10 from a total of 124 reviews- testimony to the unit's quality and enduring appeal.

For buyers interested in more space, installation of a dual key door would allow connectivity with the 55 square meter 1 bedroom apartment next door.
