Intuition Apartments

Situated diagonally opposite Aya Niseko and Ace Family Quad Lift, Intuition is a well-positioned exclusive onsen estate in the heart of Hirafu Village. Expected to be completed in winter of 2020, Intuition has quickly moved past phase 1 of the development after a speedy sale of all its villa lots. At phase 2, we are pleased to present to you a brilliant collection of 32 apartment units, from studios to penthouses.

Designed by Tokyo based architect firm ALA INC, Intuition is a sister project of Elevation which was master planned by Kengo Kuma & Associates. The apartment will include dining, onsen and concierge services and will be within short walking distance to many of Hirafu's popular restaurants, bars and shops. With a number of layouts to choose from, you will be able to select the orientation whether it be Yotei or Ski Hill views. Act quickly and contact Niseko Property to learn more today!
