Aspenwood

A cozy 2-bedroom chalet in Hirafu village with a view of Mt. Yotei. Located within only a short walk of the local onsen, while the free shuttle bus to the gondola and chairlifts is adjacent to the property.

Hirafu is a true winter wonderland and we recommend that while you are here you take every opportunity to get out and enjoy the powder snow whether it be on the slopes or a stroll through the village. This kind of holiday experience is lost on condominium style accommodation. A chalet offers much more than just privacy and a unique home away from home character, it gives the opportunity to experience the village from a different perspective. Aspenwood is within easy walking distance of restaurants, bars and shops. The stroll back to the property through the snowy village at the end of the evening allows you to exert just the right amount of energy to bring another great Niseko powder day to a close.

Designed for the global citizen, Aspenwood was inspired by the owner's first ski home in Aspen, Colorado, hence the name. The chalet balances the natural textures and bright decorative accents of Colorado with minimal design and neutral tones of Japan's Hokkaido. Aspenwood chalet is meant to be the perfect second home for the global citizen like you. Contact us for a viewing today!
