HIBIKI HOUSE

Completed in December 2015, Hibiki is a very practical yet stylish ski holiday home. This well-built 3-bedroom chalet is fitted out to an international standard, and comes equipped with a garage and a generous dry room area.

In addition, the defining feature of Hibiki is clearly the well-designed open plan kitchen and living/dining area. With high ceilings and large windows looking out to the forest view, this living/dining space is a perfect place to entertain and relax after a long day on the slopes.

The property is centrally located between Hirafu and Kutchan, the 2 most popular destinations in the area. With both the slopes and a host of popular restaurants and shops within short driving distance, this is clearly the choice location for a holiday home.
