St. Moritz 120 Tsubo Land

St. Moritz is a cozy exclusive neighborhood full of eclectic log homes and chalets, 5 minutes from the Hirafu Village. Positioned on one of the border plots for the subdivision, the 120 tsubo block is quietly tucked away covered in attractive white birch trees. The size of this site makes it ideal for a large private residence or vacation home. Mt. Yotei can also be seen from the plot, as well as the ski hill on Grand Hirafu lit up at night. Conveniently located 5 minutes from the slopes in winter, you can also enjoy the occasional fox sighting, and bird songs all throughout summer making it a true year-round getaway in nature.
