Snow Monkey Loft 1 & 2

Snow Monkey Loft brings a new opportunity to the market as a strata-titled dual unit in the ever-popular St Moritz neighborhood. Both 1st and 2nd floor units offer chic design open floor living spaces, expansive bathrooms, and 3 bedrooms each.

At your genkan entrance you have a large dry area for all of your ski and snowboard gear, including several storage lockers, 2 laundry machines and separate boilers to accompany each unit.

Complete with hotel licenses, this well thought out, well planned Loft will be sure to bring solid yields for many years to come, or could be enjoyed as your own get-away holiday home for a couple of families.

Separate sale of just the 90 sqm 1st floor at 63 million remains an option as well.
