500 Tsubo Mountain Views Land

This flat 1,653 sqm (approx. 500 tsubo) block of land off a main route in Soga is superb for a private residence or small development. In-between the Annupuri and Niseko Village ski resorts, the land enjoys the peace and serenity of a vast and open landscape and clear unobstructed views of Mt Yotei to the east and clear views of the ski mountain to the west. Being surrounded by farmland ensures that the views will be protected for years to come! As it is outside the quasi city planning area, there is more freedom in what can be built on the land. In addition to easy access to the ski areas, the property is a 5-minute drive to Niseko Village and Milk Kobo.
