Yasuragi One East

Yasuragi means peace and relaxation, and this is what you will experience in this 3-bedroom, 3 bathroom apartment located on the quieter side of the village. Great attention to detail has been paid to every aspect of the apartment. Natural light floods into the open plan kitchen and living room from floor to ceiling windows looking out to Mt. Yotei with heated flooring and a gas fireplace complete the cozy ambiance. There are two bedrooms on the second floor, with the third on the first floor with its own private entrance and ensuite bathroom. However, the highlight is the Japanese spa bath with sliding doors that open out onto the patio to create an indoor/outdoor experience. The timber screens offer privacy and shelter the cedar tub from the snow. Complete with a natural waterfall massage and separate rain canopy shower, the bath becomes your own special retreat! Further amenities include private ski shuttle and concierge services, a gym and easy access to the main ski lifts, convenience stores, and restaurants in the area.
