### Hachiko

Hachiko is a new luxury chalet in Lower Hirafu within walking distance from the ski shuttle stop and some of the best restaurant options the village has to offer. The 3-bedroom, 2-bathroom (plus two modern toilets) chalet is spread over 3 floors with the top floor having an open concept kitchen/living/dining room with floor-to-ceiling windows to take in the panoramic views of Mt. Yotei and the surrounding village. The entry level opens right up to your ski storage and drying room, with an ensuite Master bedroom further down the hall. The ground floor finishes with two generous bedrooms sharing a bathroom with a tub. There is strong attention to detail from the heated bathroom floors, placement of lighting to set the right mood for gathering with family and friends, and outdoor balcony that runs the length of the living room.
